By what date, and in what format, would you need presentation materials in advance of the event? Please note that it may take up to five weeks to have presentations and other materials approved after they are prepared.

Have we previously presented/hosted an education session for this organization? If so, when?

Please note that the Standards of Ethical Conduct for Employees of the Executive Branch, 5 C.F.R. Part 2635 generally prohibits an employee of an Executive Branch agency (e.g. HHS) from accepting gifts from outside sources given because of the employee's official position. Thus, we advise that gifts should not be offered to the Division of Practitioner Data Bank's (DPDB) speakers as a result of DPDB's outreach and educational efforts.
